Hi Daniel,

See the attached draft letter including comments about the reclamation cost calculations. We decided that we don't need a revised letter of credit immediately, only to revise it again in a few months with your upcoming NOI modification, which we discussed a couple weeks ago. This isn't an indefinite extension, but the dates may be modified. Please keep us informed. Thanks.

Some of the letter will probably change before you actually get the hardcopy. Let me know if you have specific questions or thoughts. I'll be in the field until Friday late.

Peter
